Re: Section 3 Block Lot

This is to state that I _____ am the owner of the premises located at _____ for which a driveway permit is being requested.

I hereby certify that I am aware of the Village Ordinance relating to the restrictions on the total maximum width as follows:

Driveways located in Residence zones shall not exceed 19'- 0" except that within three (3) feet of the street line the width may taper to a maximum width of twenty-two (22) feet.

I further certify that I have personally measured the driveway and hereby state that the new work will comply in all respects to the Village Code. Any work installed contrary to the Code will be removed and replaced at my sole expense.

I make this certification under penalty of law knowing that the Village of Munsey Park will rely on this information for accuracy and compliance with applicable laws and regulations.
